

DESIGN EDIT

OS Designs & Partners

OZ LANCASTER, FOUNDER, **OS DESIGNS & PARTNERS**, SHARES AN EXQUISITE SELECTION OF DESIGN PIECES THAT INSPIRE HER WORK

VAULTED ECHO TABLE BY SILVER LINING

Inspired by ceiling vaulting of great cathedrals, this table design champions the skills of hand leather embossing and chasing, precision metal work, wood dyeing and complex inlaid marquetry.

GLASS PENDANTS BY GLADEE

The new hand-blown glass pendants by Gladee are beautiful and are available in bespoke colours to match with your interiors. Bohemian glass masters created this unique method of glassmaking, using traditional elements as well as modern technologies.

TERRAZZO TILES BY PORCELAIN TILES

Whether on the floor, wall or as a piece of furniture, terrazzo has become a staple feature for interiors. From durability to the vast selection of colours to choose from, terrazzo can be moulded into any form and looks very chic.

NATURA SEATING BY OS DESIGNS & PARTNERS

This bespoke sofa with the reading light is part of the Natura Collection from OS Designs & Partners. Inspired by nature, it comes in every colour to match the scheme and offers stunning form and function.

LAPIAZ TILES CONSOLE BY BOCO DO LOBO

This console offers craftsmanship with a modern twist. I love the hand painted tiles in this piece; the design and the gold wrapping the inner console creates a unique touch.
